

WESTFIELD NEIGHBORHOOD CRIME WATCH

It is a FACT: CONCERNED NEIGHBORS REDUCE CRIME

Get to know your neighbors and become familiar with their routines.

- You are going to be partners in watching the activities on your block.
- Keep a trusted neighbor informed if you are going on vacation.
- Look after your neighbor's house when he is away, and ask him to look after yours.
- This includes collecting mail, newspapers, and other deliveries that would indicate to a criminal that the homeowners are away.
- Leave your neighbor a way to contact you in case of an **EMERGENCY**.

Be suspicious, but not paranoid and report unusual or suspicious behavior to the police.

- A stranger entering your neighbor's house or vehicle
- Anyone removing accessories, license plates, or gasoline from a vehicle
- Persons entering businesses after hours
- Persons loitering around schools, parks, businesses, or secluded areas
- Open or broken windows on vehicles, houses, or businesses
- Unusual noises: screaming, continual barking dogs, gunshots, breaking glass
- Vehicles driving without headlights after dark, or following a repetitive course
- Parked, occupied vehicles
- Vehicles being loaded with valuables from unattended homes or businesses
- Persons running through yards
- Continual heavy human traffic to and from a particular residence
- Abandoned vehicle parked on your block
